

Delaware Family Voices (DEFV) is a parent run non-profit organization that facilitates these monthly calls.

What is an MCO call?

 **Call in Number: 1 800-220-9875**
Participant code: 40369724 #

- The monthly MCO (MEDICAID Managed Care Organization) call gives families a non-adversarial forum through which they can address concerns about the Medicaid Managed Care they have for their children with special health care needs and/or disability.
- Families may also call to discuss issues related to Medicaid services for children with mental health/behavioral or emotional needs and accessing those services
- **You may call DEFV office 302 669-3030 for assistance anytime and/or still participate on these monthly calls, using the call in number.**
- The families have an opportunity to share their concerns and ask questions. Through this method, many families have a better understanding of how the systems work. The providers and policymakers are able to hear how current rules and regulations impact families.
- We will also take questions from adults who have AmeriHealth Caritas and Highmark Health Options as their Medicaid MCO through the **Diamond State Health Plan Plus (adults)**. This program took effect in April 2012. **AmeriHealth Caritas and Highmark** are the same MCO's for children and adults.

What happens on these calls?

- Parents will have up to 10 minutes of uninterrupted time to discuss and share your concerns, questions and issues.
- When a family member calls to ask a question or discuss an issue there are people on the call willing listen and problem solve with you. This is an effective non-adversarial way of problem-solving.
- Many state partners and nonprofit organizations choose to attend our meetings. Representatives from the following organizations may include:
 - Medicaid Managed Care Organizations
 - Division of Medicaid and Medical Assistance
 - Disability Law Program
 - Division of Prevention and Behavioral Health Services
 - Representatives from DDDS
 - Nursing and Home Health agencies
 - Autism Delaware
 - Private Practitioners (therapists, physicians)
 - Others as interested and all are welcome

When do we meet?

- **The second Tuesday of every month.** The phone line is available from **11:00 AM to 1:00 PM**. The call will end by noon if discussions have concluded and there are no additional questions.

- *Spanish call: April and October.*
- *No call for July.*

2018 MCO Call Calendar
